THIS IS SPRINGS MIXED SALVAGED COLLECTION

Sleek, urbane and with more than a nod to the lounge room aesthetic. Springs is our hardwood take on the Mid-Century modern panel.

The surface has been sanded down, softening the intensity of the colours. Effortless cool.

RECLAIMED SALVAGED ORIENTAL WOODS

THE MIXED SALVAGED COLLECTION

We happily buy wood that cabinetmakers and sawmill-owners have rejected because of small scars and/or cracks. To them these imperfections make a piece of wood unsuitable. Whereas we love the idiosyncrasies and use them to the betterment of our collections.

Disused telegraph poles, girders, railroad sleepers, derelict houses, ... anything goes.
For this mixed bag we source in India and Indonesia.
