# THE STORY

# THIS IS TRAIN MIXED SALVAGED COLLECTION

Train drops the formalities in favour of raw texture and an open structure.

Here the intense natural weathering and erosion of the wood provide a strikingly effective counterpoint to its design-led framework.

# RECLAIMED SALVAGED ORIENTAL WOODS

## THE MIXED SALVAGED COLLECTION

We happily buy wood that cabinetmakers and sawmill-owners have rejected because of small scars and/or cracks. To them these imperfections make a piece of wood unsuitable. Whereas we love the idiosyncrasies and use them to the betterment of our collections.

Disused telegraph poles, girders, railroad sleepers, derelict houses, ... anything goes.  
For this mixed bag we source in India and Indonesia.
