

SALVAGED PINE COLLECTION

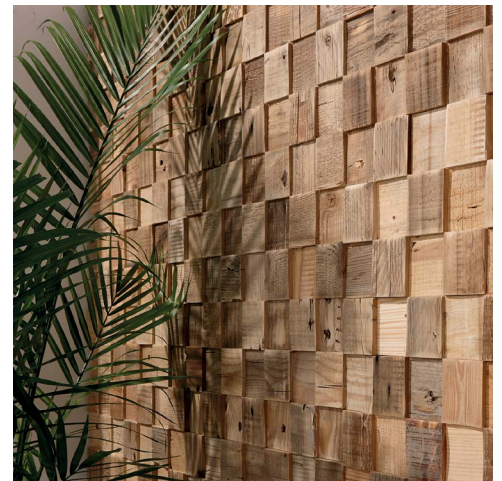

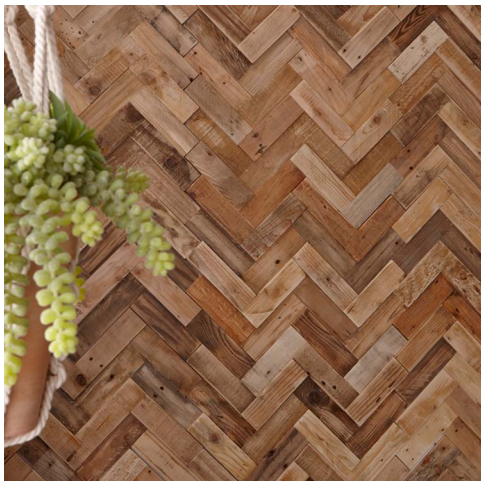

THE STORY

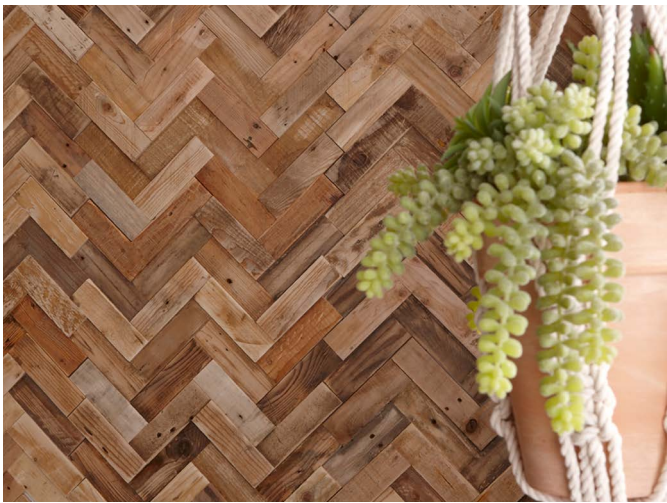

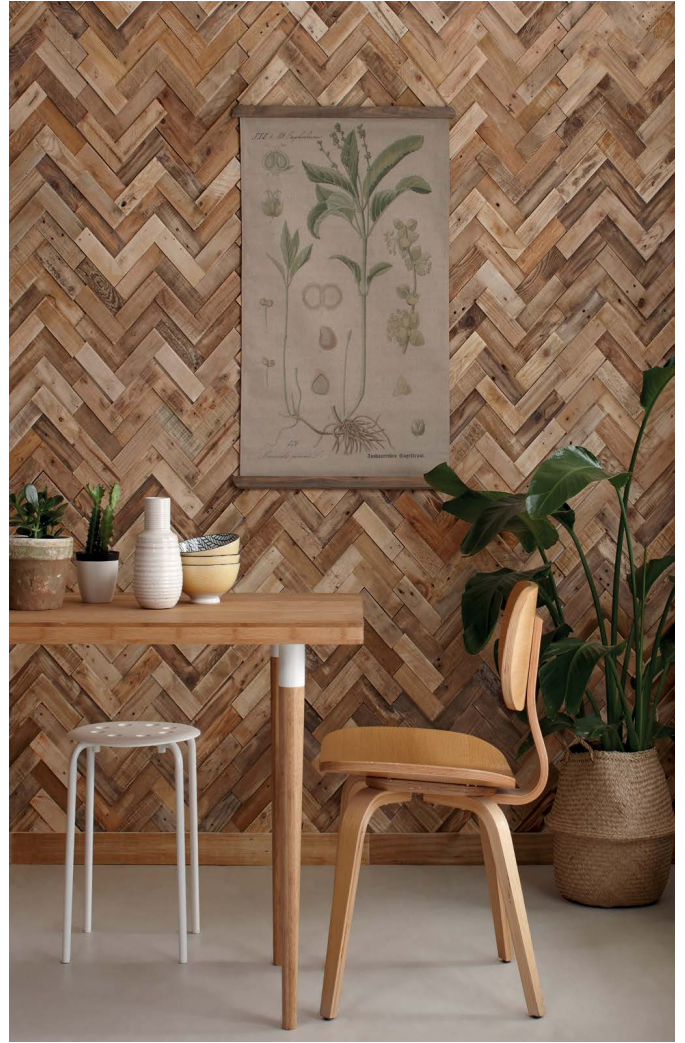

THIS IS OUR SALVAGED PINE COLLECTION

We came across this beautiful batch of salvaged pine boards, old spruce beams and obsolete soft wood crates and pallets. And we decided we just could not let it go to waste.

A special temporary collection of four basic and balanced designs. Made from salvaged Indian soft woods, they can serve that more budget-conscious project which still needs beautiful, salvaged wood on the wall.

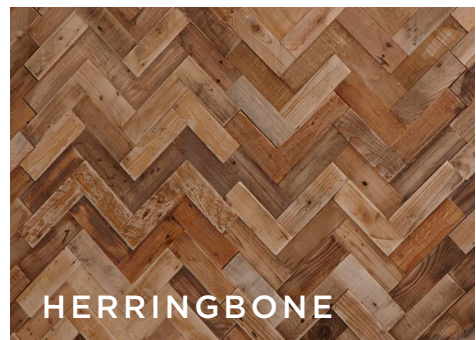

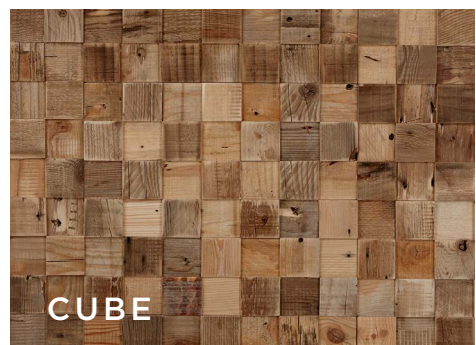

We proudly present: **HERRINGBONE – STRIPES – CUBE**
